

Our Mission:

To positively impact the lives of Central Valley area youth by providing educational programs that ensure character development, healthy choices and the mastery of life skills through the instruction in the game of golf.

Building champions for a lifetime...

We provide caring coaches who are fully trained through The First Tee home office. We hire PGA & LPGA Instructors to help deliver instruction to our participants.

While learning the fundamentals of a golf swing, our character education programs provide a fun, active environment to teach young people how to manage emotions, resolve conflicts, communicate, set goals and much more.

Honesty Integrity Perseverance
